1	Lily Whiteman was right-on-point with her info. I'm a certified job trainer (trained by the Resume' Place's Kathryn Troutman, author of "Ten Steps to Finding a Federal Job" and "The Federal Resume Guide Book) and totally agree with advice. And the best thing of all is that she has been employed with the Federal Government unlike Kathryn Troutman.	Mar 6, 2009 8:19 AM
2	Great session and very relevent topic!	Feb 25, 2009 10:42 AM
3	Excellent session, Ms. Whitehead thinks out of the box, she exuded energy, her examples and style were excellent. I did not agree with everything that was said (HR type q/a's), but I believe things may be different agency to agency. THANK YOU to Jeff and his staff for organizing and hosting us! 4	I have been to a few FCN events now over the past couple of years, and they have always been good. Good information, good speakers, good amount of time (didn't tie us up all day). This one did not disappoint. Thanks.	Feb 25, 2009 6:39 AM

9	Having spent the last year or so looking for a position, I thought Lily's insights and tips were right on and then some. I really appreciated IABC hosting this as a freebie as well. My only comment is that maybe there should have been some of Lily's books for sale. All in all, a valuable way to spend a morning. Thank you!	Feb 24, 2009 4:16 PM

1	How about a digital prepress/preflight discussion from one of GPO's top designers on imbedding images, fonts, accessibility, etc. to ease the deisngers job and the printer's too. And/or a discussion on employee engagement from MSPB's Senior Research Analyst.	Mar 6, 2009 8:31 AM
2	Marketing yourself. Interviewing?--Communicating your message. Managing up. Communicating to management.	Feb 25, 2009 9:54 AM
